## **STORIES FROM WARRIORS & WARLORDS XXI**

*From Lord Bazyl Boleslaw Krakowska:*

Nezetta, Alberto, and I authorized in rapier on Friday morning. Then Alberto and I signed up for the next three tourneys and fought until we were sunburned, sweaty, and happy.

*From Sayyeda Samia al-Kaslaania:*

If you see a bundle of Laurels on the move (and you know they're not going to a meeting), follow them and you'll get to see cool things like THL Ealdred of Malmesbury's vigil!

*From Magnifico Niccolo Falconetto:*

Lord Morikawa Katamoto, the current reigning Royal Huntsman, worked with Sir Katsuo Toyaoka to redecorate the Horn and made a beautiful wood box for the Horn. Sadly, the Hunt was postponed to Pennsic and I did not bring out the box to Court as I did not want it to be damaged by the rain.

*From Dame Siobhan Medhbh O'Roarke:*

I was eating my meals with the House of Cards (Master Gevehard von Baden and Mistress Greta Rahikkainen) and the first cool thing I saw was Master Gevehard embroidering his own name on the Princess's Sleeve cloak. He was the first person not to ask someone else to do it for him! As I was explaining the Princess Sleeve to my apprentice, Lady Lleucu, Gevehard brought out the original Sleeve which he carries in a protective case. He told us that it is one of the most revered relics in Northshield. And it was then that I discovered that my own sister, Countess Gwyneth Felton, began this tradition!

*From: Mistress Rosanore of Redthorn:*

Something I never thought I'd see at a SCA camping event: An authentic building put up on site, using authentic methods, and filled with authentic furniture, etc.! Yes, I'm referring to Master Guttorm's amazing half scale grind building!

At Info. Point, we got the Best Lost and Found Item Ever: the One Ring!

(Okay, a merchant was selling plastic replicas and a child lost his at the archery range.)

*If you have any WWXI stories you'd like to share, just send them to the Chronicler and they'll be published next month.*

## NORDSKOGEN BUSINESS MEETING NOTES, JULY 15, 2014

1. All voted in favor of Lady Lleucu verch Gwillim as our new Baronial Webminister.
2. All voted in favor of loaning a Baronial shade fly to the Known World Cooks and Bards event over the Labor Day weekend. Lord Vitaliano Tagliere Vincenzi volunteered to bring it to the event.
3. Since a new support system has been built for the Barony's archery nets, THL Vidi Hovdestad has left over PVC pipe. With a little modification, the Barony will be able to use these to make a "pipe and drape" false wall system to use at demos and conventions.
4. Online communications were discussed. It was pointed out that not everyone gets Facebook or the Baronial electronic discussion group and that announcements should be made on multiple places. It was suggested that the Chronicler put out a special call, perhaps on a quarterly basis, for submissions to the weekly newsletter.
5. All voted in favor of reimbursing \$90 to the archers for mending the Barony's archery nets. It was noted that the nets have been used at 10 events in the past two years.

### **Event Updates**

- An update was given on Crispin's Archery Thing which will be held 8/23/14. They have a person to run Gate though they need a few volunteers for that. Volunteers are also needed for setup and takedown. Lady Lleucu will be cooking lunch and asks for those with dietary restrictions to contact her with their concerns.
- Rose Tourney will be held the last weekend in September in Blachemere.
- THACO will be held 4/18/15.
- Nordleigh is putting in a bid for Kingdom A&S on 4-25-15.
- The Known World Metal and Glass Symposium will be held over the Labor Day weekend in 2015 at Jack McGowan's Farm in Mankato. It will be jointly sponsored by Blachemere and Rivenwood Tower.

### Officer Reports

- The Herald, Lord Faelan MacMillan, reported that four Baronial Ciphers have been given out to Mistress Rosanore of Redthorn, Helena, Lord Bastien de la Mesa, and Lady Coquette de Lyons. A Baton Gules was given to Lord Bazyli Boleslaw Krakowska. Three newly authorized Rapier combatants and three newly authorized Heavy Weapons combatants have been recognized.
- The Quartermaster, Lady Constanza de Seville, reported that we need to get a cart to transport the archery nets and her difficulty in getting them to recognize our tax exempt status. She was authorized to pay the \$25 tax.
- The Signet, THL Una Duckfoot, reported that all of the scrolls made it to WW.
- Our new Webminister, Lady Lleucu, said thank you.
- The Chronicler, Mistress Rosanore of Redthorn, gave thanks to all for their help.
- The A&S Minister, Sayyeda Samia al-Kaslaania, would like to start having regular classes again. Support for this was expressed. She will be setting up a Facebook group to discuss this.

- The Exchequer, Baroness Amalia St. Edmund, reported that the rent for our storage locker will be going up \$10 a month, from \$110 to \$120.
- The Chatelaine, Lord Bazyli, said “hi” and that we’ve been getting new people coming to meetings.
- THL Sefa Farmansdottir, who is an Archery Marshal, reported that archery practices will be happening every week again. The folk at the That’s Amare event in Mare Amethystinum really appreciated the use of our loaner archery equipment. They now have an Archery Marshal in Training and we’re working on getting them arrows.
- Their Excellencies asked for award recommendations.
- It was reported that the Rapier combatants are having fun.
- The Heavy Weapons combatants have asked that we have a folkmoot at one of their Tuesday practices. The Seneschal, Freiin Jutta van der Bruegghen (Ivetta), will check with the Knights Marshal, Sir Edwin atte Bridge, to get this set up.
