A MISSIVE FROM OUR BARON AND BARONESS

Greetings to Our Flaky Populace.

We hope you have had a great Warriors and Warlords event! Whether you shot archery, celebrated Crispin's elevation, fought on the battlefields with honor, shopped to your heart's (or wallet's) content, or learned all the geeky things from the great class offerings, We are glad you joined all of us.

Our Spring Folk Moot has been postponed to July 19 (rain back-up July 26), at Brackett Park in Minneapolis. There will be an armored combat tournament, plus fencing, dancing, and a pot luck. Please bring an ingredients list, or the original packaging for purchased foods. If it's food you'd like to share, it is welcome at our table.

Looking ahead, we are planning on a Late Summer Folk Moot on a Sunday with the archers (seeking a volunteer to steward this activity) where we also hope to hold a tournament to determine our new Archer Champion. Looking even further ahead, We would like to start work on our Toys for Tots Tourney in December. Please let our Seneschal Niamh know of your interest in helping with either or both activities.

*In loving service,
Baron Geoffrey and Sitt al-Thullaja*

The June Business Meeting Was Cancelled. So, no notes

Candidates do not need to be a fully warranted marshal, but they must be an archery marshal in training and at least 18 years old. **Applications are still open.** When we have candidates, they will be announced on online forums and the Quill, and will be voted on at the July 27th business meeting. Nordskogen eBay Fundraiser Spring Cleaning Extravaganza! (NEFSCE)

Attention Nordskogen! As you (collectively) are gearing up for an amazing summer of events, you may come across an item or two where you said to yourself "What should I do with that now that I've bought this other thing that is better, newer, cooler, etc.?" Well, now, that is a fantastic question. One possible answer to said hypothetical question is... donate it to the Nordskogen eBay Fundraiser Spring Cleaning Extravaganza! Or NEFSCE for short.

Let's say you've just read this and said to yourself "Self, that's a great idea! I wonder how that whole NEFSCE thing works?"

It's pretty straight forward. You contact either myself, Bazyli, at: olaughingson22@gmail.com or Helena the Quiet at: bluelupines@hotmail.com We will come to you and pick up the item (s). Then we will list it/them on eBay and ship them off to a new owner.

You will have the double piece of mind that you are clearing out space for new and cooler stuff and helping the Barony at the same time.

Dance Practice, Sunday, July 17, 3:30-5:30 p.m.—War and Peace

Our July practice will be on Sunday, July 17, from 3:30-5:30 p.m., in Room 107 (where rapier practice happens on Wednesdays). This month's dances will be connected to war and peace in some way. If at all possible, we will be working on Beggar Boy. Please rsvp to Rosanore of Redthorn at susanhenry_46@yahoo.com or on Facebook by messaging Susan Guthmann Henry or by posting to the Nordskogen Dancers Facebook page.

8:30 to 9:00: Clean up and get off site

A potluck is planned. Please go to the [Summer Super Folk Moot](#) page on Facebook to sign up for the item that you plan on bringing.

Commented [SH1]:

THL Skio has given his consent to dancing happening! It will not be part of the schedule as listed above but will be happening carefully off to the side in a non-disruptive fashion. If you have a spare moment at the moot, come and join the fun!

Please note that everyone should bring their own chairs and bug spray, etc. Also, we will have access to the bathroom in the Brackett Park recreation center.

Geektastic A&S Competition at WW

As in previous years, I will be hosting an A&S Competition at Warriors and Warlords. I specifically encourage entries that are items of daily life, the sorts of necessary, but not necessarily super-shiny things that are important to medieval daily life. The Geektastic portion is that all entries are required to have documentation and the documentation is a significant component of the competition score.

This year, there are two changes from previous years - the competition judging will take place Friday evening (exact time and location TBD) and the judging will be public. This is something that we successfully trialed at Crown Tourney - entries are judged and the populace is invited to participate, whether that is sitting in and watching or asking questions about the process of the judging. Sort of a "performance judging," if you will. Entrants will have the opportunity to interact more with the populace about their entry and the Populace will have the opportunity to learn more about the A&S Competition process.

Thanks! ~Eithni ingen Talorgain

The Aquila Challenge

The Aquila Challenge will be a series of archery and thrown weapon contests sponsored by the Order of Aquila et Fulmen. Contests for both archery and thrown weapons will take place at Castle Fever, Northern Realms War and Warriors and Warlords. The results of all six contests (three archery and three thrown weapons) will be combined to determine an overall winner.

The Aquila Challenge will be a team competition. Teams may have up to four members. For each of the six competitions, only the highest score by a member of the team will count toward the overall Aquila Challenge score for that team.

The prizes for the overall winning team will be a quiver, one dozen arrows, three throwing axes and three throwing knives. Prizes will be awarded at Warriors and Warlords.

Archery at WW!!

This year for archery we have several really fun archery shoots planned. We have 2 shoots that are geared towards youth/kids, but really anyone can come shoot and get wonderful prizes!

We are also having a kingdom fundraiser (kingdom general fund and children's fund) in which you donate dollars in order to shoot at an image of a member of the chivalry.

Just as a reminder. SHOES ARE REQUIRED ON THIS RANGE! You will be turned away if you are not wearing some kind of shoes. The space where the range is used to be a landfill and does still contain several metal and glass pieces on the ground. This is for your safety!

In service, THL Aneka Gretadotter, WW Archery MiC

Pickup Fighting

From 11 a.m. till 4 p.m. on Friday, July 8, at WW, there is no scheduled heavy fighting. So, I have asked around and gotten the green light to do authorizations, singles, or melees as numbers and desires dictate during that time. So if you want to work on your MIT, get an authorization, do some singles or run some pickup melees, head on over to the battlefield after 11 a.m. Friday. At 4 p.m., we will be starting up Sir Durand's schedule for the day. Duke Tom Tinninnabulum

Challenge from the Holder of the Griffins Talon

Gr

meetings,

As of Northern Realms War I am now the holder of the Griffins Talon.

I will be accepting challenges at WW, and depending on the number of challengers the format may change.

However, there are some points that will remain a constant:

- 1) All fighters are welcome to challenge
- 2) fights will be best 2 of 3
- 3) first and second fight must be with different weapon styles (matched weapons are not required) (if a 3rd is required, any style will be accepted)
- 4) all rules of the list will be of Northshield standard
- 5) the MIC will have final say on any conflict of rules
- 6) if bested on the field, the new holder of the Griffins Talon will not be required to accept challenges the day of.

I will announce the accepting of challenges before the list is open for event battles and will at that time decide when and where the challenges will be fought.

I hope to see a lot of our fighters proving their prowess for this and also on the field during the day.
