## A MISSIVE FROM OUR BARON AND BARONESS

*Greetings to our most delightful populace!*

*First, many thanks to the folks who brought items to show off at the camping moot. We had a good showing, and many inspired participants. We appreciate the effort you all put in—not only in making the objects on display, but also in hauling them out on a rainy morning.*

*Second, many thanks to the volunteers who assisted with ITTs/CAT. Successful events rely on generous volunteers, and we appreciate the efforts you put forth.*

*We are looking for a Warriors and Warlords Baronial Camp Coordinator, please. This volunteer role is described in greater detail elsewhere in this Quill, with many thanks to Siobhan for writing the volunteer job description. People should contact Geoffrey and Samia in the meantime to keep track of folks who would like to join Us in the Baronial camp.*

*The Baronial Pavilion will be ready for leisure time at Warriors and Warlords again this year! We will have water and lemonade available. Feel free to hang out, wait for friends, have an impromptu class, or take a nap under the Sunforger fabric.*

*We need your assistance! Please consider areas where we might hold a moot to determine our first Thrown Weapons champion. We would like to do this late in August.*

*Do you know how valuable you are? Every hour that you help out by volunteering helps the Barony cut costs and supports our activities. Please volunteer at Warriors and Warlords.*

*At our May moot, we announced the following awards for gentles in the Barony:*

- *Lady Cyneburg (Baton Gules)*
- *Lady Idonea le Lakere (Baton Gules)*
- *THL Jehanette de Provins (Heliotrope)*

*At ITTs/CAT, we announced the following awards for gentles in the Barony and outside the Barony:*

- *Lord Ronin the Bowleg, of Jararvellir (Silver Snowdrift)*
- *Goodwoman Gisela (Award of the Bronze Acorn)*

*We are delighted to celebrate the accomplishments of these individuals. Do you believe that someone else should be recognized within the Barony? Please let Us know.*

*In loving service,  
Geoffrey and Samia*

### JOB DESCRIPTION FOR LAND MANAGER FOR NORDSKOGEN ENCAMPMENT AT WW

#### Items Needed:

Graph paper (or a rule and ability to mark out feet on a regular sheet of paper if no graph paper)

Paper and scissors to cut out models of the tent footprints

WW Cartographer's map

Size in feet of Nordskogen encampment, including location of entrance and exits for cars, location of trees, etc. (A site visit may be in order.)

25' tape measure or surveyor's ruler, alternately a measuring wheel, for helping people find their locations on the ground.

#### What you will do:

Solicit footprints of tents and associated structures (such as cooking tents, armor tents, shade flies) from folks wishing to camp with Nordskogen at WW. Draw out a map of the encampment using the dimensions you've been given. You should plan on being in camp on Wednesday evening so that when people start arriving you can have them camp in the right places. You should have at least one deputy who can tell folks where to camp if you need to be out of camp on Thursday or Friday morning as folks are arriving.

#### Process:

You will solicit from folks camping with Nordskogen the size of their tent footprint, including any flies and the tent rope extensions. For example, a 10 x 12 tent will frequently have a footprint of 13' x 15' when the tent ropes included. If they have preferences on who they camp next to, or "not near the Baronial pavilion" you should take these into account, as well. Make sure people give you the dimensions of their cooking tents, shade pavilions, etc., as well as just their tent.

Once you have all the requests in, draw out the encampment on two sheets of 8 1/2" x 11" paper taped together. Mark off the encampment in foot intervals so that you can tell how long and wide the encampment is. Place trees and a roadway into and out of the encampment so folks can get in to unload and load out.

Using the same scale as you used for the drawing of the encampment, make little paper squares that signify each of the tent footprints you have received. Be sure to include the Baronial pavilion and any other special structures that will be in the encampment. Label each of the squares with the name of the person who will be in it.

Place the tent squares in the encampment using the preferences and other criteria you've received. Planners for events such as Pennsic and Gulf put 3' between each tent to provide safe margins in case of fires or other calamities.

Start placing the squares around the outside of the encampment, then fill in the center as the edges get full. Generally for aesthetics it's good to place the period pavilions toward the road and around the Baronial Pavilion and the modern tents toward the back of the encampment. Be sure and leave walkways to enable folks to get to their tents without tripping over other folk's tent ropes or finding themselves trapped in a cul-de-sac of canvas.

When you have everyone placed, with luck there will be some open space for folks who didn't "pre-register" with you and who come in last minute needing to camp.

Tape down the squares so that they stay in place. Make at least one copy. Laminate one of the copies for use in the camp itself. Enjoy! Dame Siobhan Medhbh O'Roarke

Harvest Home Update - Duchess Anne Geoffreys of Warwick and Mistress Cassandra of the Western Green, October 19-21, 2018

Will be happening in 2018. Camp Lakamaga, 20 minutes from Forest Lake. \$2620 for whole site, whole weekend. For \$5000 we can have alcohol and still must sign a waiver and need to get insurance and get permission. Small site but very flexible for multiple activities. Art cabin, fire rings, multiple cabins, multiple groups of cabins, etc. Wonderful kitchen. Can have archery on site. Lots of space for fighters. Can also have tents. Are showers and hot water. 230 adults and 20 children. 100 beds rented 50 camping 80 daytrippers could cover the \$5000. Go off site to drink, to Forest Lake or Scandia? No site fee for under 18 but charge for food, bed, camping. Then, no family cap. Try to raise funds to offset extra cost for alcohol? Donation jars at the event?

Sheikah Samia al-Kaslaania moved and Dame Siobhan Medhbh O'Roarke seconded: accept bid at the \$5000 level as long as everything goes through. Motion approved.

### Next Folk Moot

August: thrown weapons moot—still looking for a site to choose Nordskogen's first thrown weapons champion. Please let the thrown weapons marshals know if you know of a suitable site.

### New Business

Request for use of baronial fighting mats for Fall Coronation for Silfren Mere.

Meistari Toki inn bloðauga Magnusson

Talk to Duke Vladimir Radescu about transport. Mats are 75 pound each. Meistari Toki has an enclosed trailer with a 2500 pound carrying capacity. Blachemere has given permission. Baroness Coquette du Lyons moved and Sheikah Samia al-Kaslaania seconded. Motion approved. Must also contact Baroness Khadijah and let her know the details.

### **New Business (con.)**

Request for assistance for Pirate event in September 16 by Shire of the Inner Sea,

Carrie Slick for Baroness Bebhinn Inghean Ui Siodhachain

Please come! Request the loan of archery equipment, especially the net (poles are eight feet long) and targets, thrown weapons equipment, marshals for each. Need a rapier marshal, too. Baronial officers can work out the details. Need to make sure that the loaner equipment returns home. Needs proper hauling and care.

Proposal from Baron Jean-Robert LeMarchand de Sel

He could make sandwich boards for events that could be written on with chalk to post event changes.

Could be made very easily. Would fold flat for storage. Need to be under shelter if made inexpensively.

Steward would take it to events. Useful for tournaments. Not very pricey.

Make two as an experiment. Examples of uses: Last minute feast updates; archery updates at staging point (to avoid the long walk out to the firing line.) Won't happen for WW, maybe for 12<sup>th</sup> Night.

**Meeting adjourned.**
