A MISSIVE FROM OUR BARON AND BARONESS

Unto the Barony of Nordskogen, our much-loved friends, we send these words.

To everything is appointed a season, and we see that our season as Baron and Baroness is drawing to a close. We view this with both joy and sorrow, for to hold these posts, to see at once the whole of Nordskogen's honor embodied in each of her people, is to behold a beauty like no other. Yet, even in the company of such fine and noble companions we find ourselves in need of a rest from our efforts, though never a rest from you whom with we have shared so much.

We have then a great final task, to set before the people of Nordskogen suitable heirs who will take on the mantle of leadership with grace, and love to guide the Barony into the future. We have no doubt that those who follow us, ever mindful of the Honor of Nordskogen, shall serve with all the resources they possess.

Therefore, let it be proclaimed through the Barony of Nordskogen that We, Baron Geoffrey and Sitt al-Thullaja call forward all who seek to serve. We charge each to search the truth of their soul that they will:

*Serve with honor and justice as the Voice of the Crown in this, Their Barony of Nordskogen,
Strive always to represent the Barony with a true and generous heart, and
Keep her people foremost in their thoughts and deeds.*

Those who find in themselves the calling to serve may submit their names as candidates, and all such shall be considered by the populace and the Crown to whom these lands belong. Then, in accordance with the rules of our Society and Kingdom, we hope the selected candidates shall be named as heirs at Coronation in September and will receive the Baronial Coronets in transition at Twelfth Night.

In loving service, Baron Geoffrey and Sitt al-Thullaja

WW T-SHIRT GUIDELINES

The theme is WW 25 (WW XXV). **Deadline for design is June 10.** No exceptions. Send your designs to bazyli1592@gmail.com. The design is up to you - you don't have include fish or snowflakes or griffins, but some version of those has been traditional.

Design should be no more than 13" in any dimension. 11" is ideal.

The shirt itself will be grey or another neutral color, depending on the design chosen and shirt availability.

T-shirt will be 4 colors, but don't blend colors. Colors should be solid and not mixed or blended, i.e., for screen-printing you can't layer red and yellow to make orange.

Black outlines are suggested. When submitting, you can send the black line drawing, and we can discuss colors. Or you can submit a design with 4 colors.

Please note:

Your art will have to be separated into 4 colors for the printer, which means we'll be submitting 4 separations, one for each color.

Your art will be made into vector art or into a PDF.

If you are able to create art separations and/or vector art, please include a note to that effect when submitting.

If you can't, we can work with you and help if your design is selected.

Designs will be selected by WW stewards and staff. If WW staff wishes to submit, they certainly may, but will not be one of the jury members to avoid conflict of interest.

If you have questions, please contact Robyn Beth Priestley, THL Niamh, email is niamhnordskogen@gmail.com.

We want to thank you all for your hard work on creating the designs! We are looking forward to an outstanding design for this 25th Anniversary!

CAMPING SPACE RESERVATIONS

Camping at WW is available by reserving spaces or by arriving and choosing from remaining areas. There's a lot of room, so last-minute arrivals can be accommodated. Just let the Gate volunteers know that you need a space when you arrive and they will direct you to the open spaces.

Camping space can be reserved in advance in one of two ways: **Sweat Equity** and **Paid Preregistration**.

Sweat Equity is an unusual SCA reservation practice, but one that has been in play at our current event location. Much of the land was undeveloped when we first moved here, and many groups have worked to develop small areas into beautiful campsites. Those gentles who have invested their personal time and money into the beautification of their campsites have earned the right to reclaim and "freshen-up" that same spot during the work weekends each year. Each group needs to have a representative connect with the Autocrats before the end of May to indicate their intentions to use the same area as the previous year. In order to help expedite the Trolling-in process at Gate, a list of those adults expecting to camp in the group's area should be submitted via the Sweat Equity form. Only one paid preregistration from a member of the group is needed to hold the traditional space for the group. While still not refundable, the preregistration monies paid will be transferable to others within the group.

Paid Preregistration for WW is offered to those people who are unable to or uninterested in participating in the sweat equity process but still want to have camping land reserved for them. This is a good way for out-of-town groups and households who wish to camp together to make sure that they are not scattered throughout the campground when they arrive. Payment and reservation details (Name, estimated arrival date & time, and camping area preferences) must be received by **June 23rd** to guarantee that a spot will be held. No additional fees will be charged to have land reserved but know that preregistration payments are not refundable.

Here are the forms: [Preregistration Form](#) [Sweat Equity Form](#)

Meetings end at 9:00 p.m.

All of our weekly Wednesday meetings are held at: The Geek Partnership Society's Event Horizon In the Waterbury Building, the big red building at the corner of Jackson St. NE and Broadway St. NE, (1121 Jackson St NE, Minneapolis, MN, 55413)

Enter at the **BACK** of the building. **Door 1121C** is the one closest to the rooms we are in.

To get to the big parking lot at the back of the building and near our entrance doors:

Go north on Jackson, driving past the little parking lot on the right (we don't park there),

go to the end of the building, take the first right onto the street there which is Twelfth Ave. NE.

If you go over the railroad tracks, you've gone too far! **Metal Parking slots are always off limits.**
