ANNOUNCEMENTS FROM THE BOARD OF DIRECTORS

Three important announcements have appeared from the Board of Directors this summer and are reprinted here to make sure that everyone has a chance to see them.

At the Board of Directors July 2018 meeting, the following changes to Corpora were approved and were to be considered effective immediately.

Corpora Article X, Grievances and Sanctions, A. General, Add Section 4: Hate Speech

Hate speech is not tolerated in the Society. Hate speech is speech or symbols that offend, threaten, or insult individuals or groups, based on race, color, religion, national origin, sexual orientation, disability or other traits. Such symbols and speech have no essential part of any discussion of ideas and are of so little value to the Society that any benefit that may be derived from them is clearly outweighed by the harm caused. The use by any participant in the Society may result in possible sanctions up to and including revocation of membership and denial of participation.

Please report any possible instances of hate speech to your Kingdom Seneschal, the Society Seneschal or the President of the SCA immediately. For more information about hate speech and the reporting of same, please refer to the Society Seneschal's Handbook.

SCA Statement of Core Values

In pursuing its mission, the SCA is committed to excellence in its programs, communications and activities and to

- act in accordance with the chivalric virtues of honor and service;
- value and respect the worth and dignity of all individuals;
- practice inclusiveness and respect pluralism and diversity;
- promote a safe and respectful environment for all SCA events;
- act with transparency, fairness, integrity and honesty;
- be a responsible steward of SCA resources; and,
- be committed to maintaining the trust of its members and participants.

It is the expectation of the SCA that its members and participants, in all events and activities of the SCA, will conduct themselves in accordance with these tenets.

[The following announcement appeared in August.]

SCA Mission Statement

After careful review and consideration of all feedback, the Board of Directors has decided to update the mission statement to be more in line with current society practices:

The Society for Creative Anachronism (SCA) is an international non-profit volunteer educational organization. The SCA is devoted to the research and re-creation of pre-seventeenth century skills, arts, combat, culture, and employing knowledge of history to enrich the lives of participants through events, demonstrations, and other educational presentations and activities.

The Board of Directors wishes to thank everyone who took the time to write in with their comments for the betterment of our society.

Should you have any comments, please send them with the subject line "Revised Mission Statement Aug 2018".

Comments on all three of these items are strongly encouraged and can be sent to:

SCA Inc.

Box 360789

Milpitas, CA 95036

You may also email comments@lists.sca.org.

These announcements are an official informational release by the Society for Creative Anachronism, Inc. Permission is granted to reproduce these announcements in their entirety in newsletters, websites and electronic mailing lists.

A MISSIVE FROM OUR BARON AND BARONESS

Greetings to the fair populace of the Barony—

So much activity in the coming months!

Please complete and return your polls from the Kingdom regarding the upcoming transition for Territorial Baron and Baroness. The Crown appreciates all input from the populace in these transitions.

A Moot at Brackett Park in Minneapolis on Tuesday, September 11 is open to all people. Bring a blanket and hang out on the lawns, visiting with your friends. Garb is encouraged.

The Barony is hosting Coronation in September for Vladimir III and Petranella III, and many hands will make light work of setup and cleanup for the event. Both the Thrown Weapons and Cut-and-Thrust communities will be hosting special activities on the Sunday following Coronation.

In October, we are hosting Harvest Home and need your help. Please spread the word about this laid-back event where very few items are scheduled, and folks can spend the weekend being geeky with old and new friends. Heated cabin space and meal plans are available. Also, contenders for the Cooking Champion of the Barony will be able to prepare dishes at their leisure and share them as they are ready.

After that, we can turn our attention to preparing for Twelfth Night with the goal of investing a new Baron and Baroness. Again, many hands will help bring magic alive for our guests at the event.

Baron Geoffrey and Sitt al-Thullaja

Officers' Reports

Their Excellencies Nordskogen: Baron Geoffrey of Warwick and Sitt al-Thullaja:

Working on doing better at inclusiveness and being a welcoming organization. Armored community working at being more welcome to non-male persons. How do we change our approach in the arts (comments should be supportive, something like “nice color”, NOT “that’s not period”). Jargon can be a problem. Possessing a full kit does not necessarily mean a new person has full knowledge of us. These comments are meant to be food for thought. Sept 11—moot featuring heavy tourney at Bracket Park plus court. Need award recommendations. Easy [link](#) on website. Hosting Fall Coronation at Lord of Light Church. Need to be out by setting of the alarm. Harvest Home in October. NOT heavily structured. Relaxed chance to geek. Choosing Baronial cooking champion. Let the Baron and Baroness know if you’d like to participate. During the event, candidates will let the Baron and Baroness know that their food is ready. Aug. 29: Baronial candidates meet and greet. Submit questions to Seneschal. There will be other meet and greets set up on other nights as needed. Poll will go out the following week. Toys for Tots in December and a steward is needed for that. If you are interested, contact the Baron and Baroness. As always, there is a particular need for child proof toys for under children under the age of two and for items for children over the age of 12. Drop off sites have been lost so the need for this sort of drive is greater than ever.

Introduction to the Baronial Candidates

I am Gabriel Kjotvason (pronounced Key-oat-va-son) and I have the pleasure and honor of being a candidate for the Baron of Nordskogen along with my lady Caoilfhionn. Sometime in 1996 or 1997 I started in the SCA in the Shire of Inner Sea. I moved away from Inner Sea to go to law school and ended up in the Barony of the Lonely Tower in Calontir, where I got to keep being a herald, holding several kingdom deputy herald jobs, and also spent some time doing other jobs as well. I moved back to Nordskogen in 2003, where I met Caoilfhionn, kept on being a herald (holding a couple different kingdom deputy jobs), became a deputy kingdom seneschal, and also had the honor and pleasure of being Bard of Nordskogen. I left again for work in 2009, taking Caoilfhionn with me, and went back to Lonely Tower. There I relearned how to fence, continued being a herald (becoming Laurel King of Arms), and was privileged to become the Baron of the Lonely Tower, sitting with Countess Giulia. In 2015, Caoilfhionn and I moved back to Nordskogen, and here we shall stay. I am fencing again, still a herald, and now Northshield's law clerk as well. I am excited to be considered for Baron because I love this group and want to support the Barony and its people in being active in the SCA and welcoming to all.

As Patrick Anderson, I am an attorney specializing in corporate law, have been president of the SCA, and am currently general counsel for the SCA.

I am Caoilfhionn inghen Cheallaigh uí Mhórdha (first name pronounced "Colleen"; feel free to skip the rest unless you speak Gaelic), and I am honored to stand as a candidate for baroness of Nordskogen along with my lord, Gabriel Kjotvason. I joined the SCA in A.S. 30 (1995) in what was then the Baronial Colleges of Nordleigh. The first Schützenfest was my first event, and the enthusiasm and generosity of the people I met there drew me in. I served as Nordleigh exchequer and chronicler and also followed my love of modern fiber arts into learning historical embroidery. I then moved to Nordskogen, where I signed on as baronial chronicler and eventually as proofreader and drop-dead deputy for the Northwatch. I also became an archery marshal, served as baronial archery champion and captain, and worked on events, eventually coming full circle as the event steward for several Schützenfests. Real-life matters then took Gabriel and me to the Barony of the Lonely Tower (Omaha, NE) in Calontir, where I continued working for various SCA publications and dove more deeply into learning and teaching embroidery, spinning, and other fiber arts. Life brought us back to Nordskogen in 2015, and I have enjoyed being back among my original SCA family. I am both excited and humbled to be considered for the role of Baroness: I found many friends, teachers, and fellow dreamers and history geeks here, and I hope to pass that gift along to many others, newcomers and seasoned members alike, by working to keep Nordskogen an active and welcoming place.

In real life, Kellie Hultgren is a freelance book editor working for publishers and writers in Minnesota and beyond. I serve on the board of the Minnesota Book Publishers' Roundtable and volunteer with the Professional Editors Network. In my spare time I knit, spin, and embroider modern as well as historical projects.

GENERAL NEWS AND ANNOUNCEMENTS

Kitchen staff and servers are also needed: details to come. You can sign up at this [link](#), by messaging [Kellie Hultgren](#), or by catching her at Baronial doings.
