KINGDOM OF NORTHSHIELD'S UPDATED CANCELLATION STATEMENT AS OF APRIL 5, 2020

Greetings to the people of Northshield,

This is a challenging time for all and we hope you are coming through it the best you can. It warms the hearts of myself and the Crown to see you supporting each other online in so many ways. Whether it's being active in teaching classes, making masks, or sharing fellowship. We are also glad that you are recognizing that not everyone is equipped for that and people are supporting that as well. Our diversity is our strength and we can all get there together if we take turns sharing the load.

It is hard in these times of uncertainty to make plans and it is even harder to have things taken from you again and again.

So rather than extend cancellations for two weeks at a time again and again, based on CDC guidelines for social distancing, the kingdom is canceling all in-person activities through the end of June. We realize that this may seem extreme. However, increasingly we are hearing that the peak will not hit many of our states until June, July and even into August.

At this time we are unsure when Crown will happen and that decision will not happen until we get more data. The deadline for entry is still April 11, 2020 at Midnight.

Thank you for your understanding and be safe,

On behalf of the Crown, Ealdred of Malmesbury, Seneschal, Northshield

A MISSIVE FROM OUR BARON AND BARONESS

Unto the people of Nordskogen, Blachemere, and Nordleigh, greetings!

You would think that with all official in-person SCA activities on hold, we would not have much to report. However, we are thrilled that so many of you are organizing and participating in online activities every week, from local hangouts to worldwide classes. Her Excellency was happy to see several familiar faces at the Trans 101 in the SCA class, and His Excellency feels the same about his historic rapier lectures with friends far and near.

If you find yourself in need of supplies and can't go out for whatever reason, several people among us have offered to assist. Please feel free to ask on Facebook or Google group or message us or one of our officers.

His Excellency, along with our Minister of Arts and Sciences, Lady Helena, is hosting an online display event on our Facebook discussion group to showcase whatever you've been working on the spring, whether art, science, or other project. There will be three categories: things started since March 15, things finished since March 15, and things ongoing. Please submit photos, video, or text as a comment on the Facebook event by the end of Sunday, May 10, and we will have an online moot on May 13 to celebrate. If you wish, you may present your work at the moot, but it's not required. Please message or email Gabriel if you have questions.

As you have most likely heard, Crown Tournament, the Champions' Tournament Day, Schützenfest, and Warriors and Warlords have all been canceled due to the pandemic. This is a disheartening blow, but the latter two events have already been rescheduled for next year, and we look forward to a second chance at the first two. We will miss these gatherings very much, but we would rather wait and hold them safely.

Until then, we hope to hold an online court on Saturday, May 30, to see you and celebrate the accomplishments of our populace as we would have at Schützenfest. If you have award recommendations to submit, please do so soon.

We have said before, and we say to each other almost every day: we have amazing people. We're so proud to be Nordskogen.

Yours in service,

Caoilfhionn and Gabriel, Baroness and Baron of Nordskogen

Mistress Rosanore of Redthorn (Susan Henry) recording

Approx. 25 in attendance

Meeting called to order at 7:30 pm.

Officers' Reports

Their Excellencies Baroness Caoilfhionn and Baron Gabriel:

Thank you all for coming. Lovely to see so many people here for the business meeting! A lot has happened. Have lost all of our May events and cancelled WW as well. Very disorienting. Need to talk? Ping the Baroness and the Baron. Zoom calls will continue on Wednesdays for the foreseeable future. If wanted, can have classes on different nights. Talk to Sorcha. Very likely that there will be no events in July. May try to have gatherings with restricted numbers if state moves from stay at home order to allowing small groups. Baron wants to try to have a gallery of A&S activities created during this interregnum. Talking about doing a virtual court sometime in the future so would like to have award recommendations.

Seneschal, Baroness Sorcha Bhuidhe: Questions used to be held until Wednesday. Now gets them all the time! Go ahead and message her but be aware that she may not answer right away 'cause she's working! If you haven't seen someone for a while, reach out and check on them or ask Sorcha to do this. We're lucky to be doing Zoom meetings and to have Caoilfhionn to host them, not all the groups are doing this. Feel free to invite folks to the Zoom meetings.

GENERAL NEWS AND ANNOUNCEMENTS

Kudos for our Baroness

From the April 14, 2020 SCA President's report comes this praise for our Baroness:

Additional and tardy commendations must go to Kellie Hultgren for last-minute copy editing and reviewing work on CA 186. CA 186 was late, but I believe the additional time helped us make it a better publication overall.

Nordskogen Archery Captain Seeks A Successor

If you are interested in applying for this position and have any questions, please contact [Meistari Sefa](#). Your letter of interest is due to our [Seneschal](#). Please cc [Meistari Sefa](#) and our [Baron](#) and [Baroness](#). Please include what you consider to be your qualifications (mundane and SCA), and why you would like the job, or what you would hope to accomplish.

WW27 Skipped Year Art Announcement from Theign Nikolaus der Ausländer

This is a general call out to the 2D artists in the Kingdom!

We're looking for art for the AS 55 (LV) The Year Without WW T-shirts. Here's the specifications:

Finished artwork should fit a square.

Vector art (encapsulated postscript) is preferred, but high-resolution JPEG or TIFF (3+ Megabyte--300 dpi or higher at 12 inch width), or even a clean scannable drawing on paper are acceptable. All art should be line art; no shading or blending (Think paint-by-number style.). Theign Nikolaus can scan physical art into appropriate formats; please send art to Clint Hotaling via [PM](#) or [Theign Nikolaus's email](#). Please PM him for his snail mail for physical artwork.

All art should incorporate the following text: "A.S. LV – The Year Without Warriors and Warlords" in some way. An ampersand can be substituted for the word "and". We prefer "Warriors and Warlords" but if the design is exceptional and has "WW" instead, we'd consider it.

All art should incorporate at least one catfish (Jararvellir) and at least one snowflake (Nordskogen). Preferably equal numbers, but don't let that stop your creativity. Last year's totes had a snowflake made up of six catfish. T-shirts will be Primary Red (a dark saturated red), and the art can as many as four inks. Remember the heraldic rules of contrast! (Ask your local herald what those simple rules are.)

Deadline for submissions is May 15th. Submissions will be juried by the Event Steward Team. The artist of selected art will get their own T-shirt. All proceeds will benefit the Northshield General Fund.

Thrown weapons practice dates in Jararvellir:-- CANCELLED THROUGH JUNE 30

Where: UW Madison Stock Pavilion, 1675 Linden Drive, Madison, WI 53706

[Campus map](#)

When: 2-4 pm on the following Sundays: March 22nd (day after "That Moot Thingy"), May 17th, June 14th

A SPECIAL SURPRISE FROM OUR CHATELAINE:
GOLD KEY BINGO!

Are you bored in your isolation? Are your closets too full? Is your fabric stash ready to explode? Our Nordskogen Chatelaine, Lady Jelena di Pagania, has a quick fix for you! You can solve your problems, help out our collection of loaner garb, play a fun game, and win Fabulous Prizes all at the same time! Just play Gold Key Bingo! On the following pages, you will find several score cards for this game.

The Rules

Items may be dropped off with the Chatelaine at any time before October 1st in a socially distant compliant manner, along with your score sheets. Email Lady Jelena at: jelena.pagani1986@gmail.com for directions to her house.

Items may be purchased or handmade.

Used items must be repaired and in good condition to qualify.

Also, if you are hand-making or re-purposing anything and totally want to geek out and document what you're making for the archives, Lady Jelena is so down with that.

All squares must be from one card to qualify for a bingo.

You must put your name (modern and/or SCA) and contact information on the card to qualify.

Each completed card qualifies for a prize opportunity.

Participants may reuse an item for another card or they can make one for each card. If you use one item for multiple cards, an "x" must be placed in the upper right hand corner of the square, so Lady Jelena doesn't go looking for items that aren't there.

If you are really good at making one thing, making five of those things qualifies as a Bingo.

Deadline and Prizes

The soft deadline is October 1st so that prizes can be distributed at Twelfth Night.

Prizes will be awarded for 5-Across, 5-Down, Diagonal, Four Corners, and Black Out.

There will be participation tokens for all who enter.

If there are a lot of entries, there will be a drawing in each category.

Special recognition will be given for those who don't complete a "Bingo" but who complete any combination of items or a lot of one item.

Questions? Contact Lady Jelena at: jelena.pagani1986@gmail.com

Many thanks to Lady Rúna Úlfríðardóttir for her helpful ideas.
