## KINGDOM OF NORTHSHIELD'S UPDATED CANCELLATION STATEMENT AS OF APRIL 5, 2020

Greetings to the people of Northshield,

This is a challenging time for all and we hope you are coming through it the best you can. It warms the hearts of myself and the Crown to see you supporting each other online in so many ways. Whether it's being active in teaching classes, making masks, or sharing fellowship. We are also glad that you are recognizing that not everyone is equipped for that and people are supporting that as well. Our diversity is our strength and we can all get there together if we take turns sharing the load.

It is hard in these times of uncertainty to make plans and it is even harder to have things taken from you again and again.

So rather than extend cancellations for two weeks at a time again and again, based on CDC guidelines for social distancing, the kingdom is canceling all in-person activities through the end of June. We realize that this may seem extreme. However, increasingly we are hearing that the peak will not hit many of our states until June, July and even into August.

At this time we are unsure when Crown will happen and that decision will not happen until we get more data. The deadline for entry is still April 11, 2020 at Midnight.

Thank you for your understanding and be safe,

On behalf of the Crown, Ealdred of Malmesbury, Seneschal, Northshield

## A MISSIVE FROM OUR BARON AND BARONESS

Unto the good folk of these flaky lands, greetings!

It seems like we were just writing the May letter but also like that was months ago. What even is time? June has arrived, bringing warm weather that we would normally be welcoming at outdoor events. Alas, the kingdom and barony remain on hold due to the plague. We encourage everyone to stay safe, wash hands, wear masks in public, and continue protecting each other not only in person, but also by checking in with friends online and by phone, or even \*gasp\* postal mail. More than anything, we want to see ALL of you when this danger recedes.

Our Wednesday night Zoom hangout continues through this month, and we've been happy to see so many of you there. Please note that it's open to everyone, and we have had visitors from across the kingdom and other kingdoms, and even a curious newcomer! On May 20 we hosted discussion of the Baron's arts & sciences online display, and His Excellency was thrilled to see so many different kinds of work, from bardic to scribal to leatherwork and more. He hopes to host another round of display this month.

We also know that for some of us, electronic participation in the SCA is not the best. Please know that we miss you, and we will celebrate the time when we meet again in person.

Congratulations to those honored in our court on May 30, for what would have been Schützenfest! Our next court will take place on Saturday, July 11, when we will join Their Majesties and Their Excellencies Jararvellir for court business that would have taken place at Warriors & Warlords. Look to our website and Northshield.org for more details as we get closer to that date.

Looking ahead to a future where we can safely meet again in person, please consider putting in a bid for Twelfth Night 2021. True, the future is uncertain, but we hold onto hope! It need not be a complicated bid, but we know it will be an exceptionally heartfelt gathering.

These weeks have been hard, but we remain so proud of this barony and its people. We see you teaching, creating, training, and supporting each other every day. Thank you.

Caoilfhionn and Gabriel, Baroness and Baron of Nordskogen

Expenditures: \$ 124.00

Ending balance: \$ 20,841.15

**Herald, Lord Irial Féasruadh ó hIarnáin:** Not present. Nothing to report but is helping a client with a name.

Minister of Arts and Sciences, Lady Helena the Quiet: Not present. Nothing to report according to Seneschal and her deputy, Niamh. Niamh has talked to the Kingdom about the Toy Chest and if more toys are needed. Toy chest is continuing somehow during these times.

Knight's Marshal, Sir Helgi Moosebane: Not present.

Boffer Captain, Lord Tribaldi de Gritti: Not present. Posted photos of his kids unofficially doing some boffer in their back yard.

Rapier Captain, THL Sven Asvaldarson: Nothing to report.

Chatelaine, Lady Jelena (YAY-len-ah) di Pagania: Not present. Talked to a couple people on Facebook according to the Baroness.

**Archery Captain, Meistari Sefa Farmansdóttir:** No official practices have been happening though the outdoor ranges are open. Two official practices, with 21 people in attendance, did happen back at the beginning of March. This position is open in Dec. 2020 or Jan. 2021. Duties consist of filing quarterly reports, managing inventory, arranging for practices. It is better if the Captain is a marshal though there are plenty of marshals in the Barony so you don't have to run all the practices yourself. Kingdom may require the Captain to at least be a Marshal in Training.

Thrown Weapons Captain, Comtesse Guenievre du Dragon Vert: Not present.

**Clerk of Precedence, Lady Cynthia the Innocent:** Nothing to report. Looking forward to future Baronial courts so that she will have something to report....

**Signet, THL Amary Fairamay:** Not present. Seneschal says: send award recommendations! Baronial Schützenfest scrolls will be promissory notes. Yes, there is a gradual reopening but stay home, stay safe, practice your calligraphy. Contact her at <a href="mailto:signet@nordskogen.com">signet@nordskogen.com</a> if you need practice resources.

**Quartermaster, Baroness Kateryn of Roseberry Topping, called Khadijah:** Not present. Still have a unit full of stuff as far as we know. Paying rent! Sorcha still has the mats and will be talking to Lewke to get the code now and return them that there are no events that they will be needed for.

Webminister, Lady Coelwen ingen Adaim: Not present. We still have a web site.

## **Old Business**

The Seneschal reports that we have one Twelfth Night proposal. She would like one or two more. Does not need to have a complex theme! If it turns out that Twelfth Night can happen, it will be special.

#### MAYAK EGGS

[Korean Marinated Eggs] Lady Isabella Tinker

"Mayak" means "addicted" or "drug". They are called "drug eggs" because they are so delicious!

Soft boiled eggs, 6-8, depending on the size of your container

## **Sauce Ingredients:**

1/2 cup water

1/2 cup soy sauce (or tamari for gluten free)

1/2 cup sugar or honey

4 cloves garlic minced

3 green onions chopped

Red pepper chopped (optional for spice)

1 tsp sesame seeds

#### To make soft boiled eggs

Boil water with 2 tsp vinegar and 1 tsp salt - add room temp eggs for 5 minutes to boiling water. Place the eggs into ice water or cold running water to cool the eggs for easier peeling. Hardboiled eggs will also work for this recipe.

## To make mayak eggs

Mix the sauce ingredients while the eggs are boiling. Put the peeled eggs into a container. Pour the sauce over eggs. Let it marinate overnight in the fridge. Store them for up to 7 days. The longer it marinates, the better it gets! To eat, place the mayak eggs over rice with some marinade and enjoy!

## Nordskogen Archery Captain Seeks A Successor

The term of our Archery Captain, Meistari Sefa Farmansdóttir, expires at the end of December 2020 and she is seeking a successor. If you are interested in applying for this position and have any questions, please contact <u>Meistari Sefa</u>. Your letter of interest is due to our <u>Seneschal</u>. Please cc <u>Meistari Sefa</u> and our <u>Baron</u> and <u>Baroness</u>. Please include what you consider to be your qualifications (mundane and SCA), and why you would like the job, or what you would hope to accomplish.

# DID YOU KNOW? A Study on Peer Like Qualities—Part 1

Anyone who has spent any time in the SCA has heard the term Peer Like Qualities (or PLQs for short). You may be asking yourself "So what are these Peer Like Qualities, anyway?"

PLQs are typically defined as qualities required of a person before they are considered for or elevated to a Peerage in the SCA.

Something I have noticed in my short time playing, is that if you were to ask, "What are the list of Peer Like Qualities", you will likely get a different answer depending on who you ask. However, there are a few that are on most everyone's list of the qualities expected of a Peer. This month, we will be looking at Courtesy.

Courtesy is defined as the showing of politeness in one's attitude and behavior towards others. But what else falls under the umbrella of Courtesy? Some words that come to my mind are honesty, generosity, kindness, and grace. So how does this translate to the SCA? A few things come to mind, for me.

## Honesty

- o Speak truthfully in all things.
- o If you say you will do something, make sure it gets done.
- Don't spread gossip.

## Generosity

- o Give to others as your means allow.
- o Be willing to teach and share what you know with others.
- O Give others the benefit of the doubt.

#### Kindness

- o Being friendly to those around you.
- o Being considerate of people and their things.
- o Genuine concern for others and their situations.

#### Grace

- Minding our manners.
- o Making others feel comfortable and welcome.
- O Keeping a cool head in all things.

It's important to know, there is no 100% right answer here. What do you personally think of when you think of Courtesy? How do you show Courtesy to others? We are all different and we all have our own ways of looking at things. This is hopefully just a good start to great conversations.  $\odot$

## A SPECIAL SURPRISE FROM OUR CHATELAINE: GOLD KEY BINGO!

Are your closets too full?

Is your fabric stash ready to explode?

Our Nordskogen Chatelaine, Lady Jelena di Pagania, has a quick fix for you! You can solve your problems, help out our collection of loaner garb, play a fun game, and win Fabulous Prizes all at the same time! Just play Gold Key Bingo! On the following pages, you will find several score cards for this game.

## The Rules

Items may be dropped off with the Chatelaine at any time before October 1st in a socially distant compliant manner, along with your score sheets. Email Lady Jelena at: <a href="mailto:jelena.pagani1986@gmail.com">jelena.pagani1986@gmail.com</a> for directions to her house. Items may be purchased or handmade.

Used items must be repaired and in good condition to qualify.

Also, if you are hand-making or re-purposing anything and totally want to geek out and document what you're making for the archives, Lady Jelena is so down with that.

All squares must be from one card to qualify for a bingo.

You must put your name (modern and/or SCA) and contact information on the card to qualify.

Each completed card qualifies for a prize opportunity.

Participants may reuse an item for another card or they can make one for each card. If you use one item for multiple cards, an "x" must be placed in the upper right hand corner of the square, so Lady Jelena doesn't go looking for items that aren't there.

If you are really good at making one thing, making five of those things qualifies as a Bingo.

## **Deadline and Prizes**

The soft deadline is October 1<sup>st</sup> so that prizes can be distributed at Twelfth Night.

Prizes will be awarded for 5-Across, 5-Down, Diagonal, Four Corners, and Black Out.

There will be participation tokens for all who enter.

If there are a lot of entries, there will be a drawing in each category.

Special recognition will be given for those who don't complete a "Bingo" but who complete any combination of items or a lot of one item.

Questions? Contact Lady Jelena at: jelena.pagani1986@gmail.com
