A BARONIAL MISSIVE

Unto the good people of Nordskogen and Nordleigh, greetings!

February has flown by, and we are that much closer to fairer weather--hurrah! We are looking forward to our March in-person Wednesday gathering, at which Gospatric will be teaching wire weaving. See the Nib or the Facebook event for details.

We also had a great day at Lupercalia, with fencing and visiting, and of course an endless board of delicious food. Skol to the Shire of Rivenwood Tower for another excellent event!

We have lots of baronial business to highlight this month:

- The due date for largesse for Jararvellir's 50ish anniversary is March 15. Please make arrangements to get it to Her Excellency on or before that date.*
- Bids for Twelfth Night 2024, kicking off the barony's 50th anniversary year, are requested by the March business meeting (3/15). If you have an idea but are not sure how to bid, please ask us or the seneschal. It's not too late!*
- We are seeking a new Archery Captain, as THL Faelan will be stepping down this month. The archery captain organizes and promotes weekly practices, ensures safe shooting by marshaling or ensuring that a marshal is in attendance at practice, manages the loaner gear, and files reports with the kingdom. While it is helpful to be an archery marshal, it is not required for this position; strong communication skills and availability to attend practice regularly are key.*
- We are also seeking a new Minister of Arts & Sciences. This officer fosters A&S activities in the barony in a variety of ways, from connecting students and teachers to organizing classes and displays/challenges/competitions and more. The MoAS files quarterly reports about local A&S activities with the baronial seneschal and the kingdom MoAS; these reports support kingdom-level arts recognition and networking, as well as the SCA's nonprofit goals.*
- The position of Social Media Officer has gone unfilled for over a year. Can you maintain our Facebook page and group, share information to keep the barony engaged, and report regularly to the Webminister and kingdom?*
- We are also seeking a Deputy Exchequer/Treasurer to learn how the barony's finances operate. Can you expand our corps of people who face spreadsheets with no fear?*
- In addition, we are seeking a Boffer Captain. Would you like to teach beginning armored combat to children using padded (boffer) weapons? (Position requires a background check and authorizations.)*

Finally, the process for finding our successors has begun! Applications for the Nordskogen Baronage open March 15 and close on May 1. To be considered for the role of baron/ess, please email an SCA resume and a cover letter describing why you wish to serve in this role to Their Highnesses Lars and Mary, Their Excellencies Caoilfhionn and Gabriel, and the Transitions and New Groups deputy, Wu Yun. If you have questions about the role, please ask us about it, and do reach out to the previous barons and baronesses as well. We are happy to discuss the nuts and bolts of this job!

We hope that those of you traveling to Gulf Wars or one of the many March events have safe journeys and come home with joyous tales to share!

Yours in service, Caoilfhionn and Gabriel, Baroness and Baron of Nordskogen

NOTES FROM THE NORDSKOGEN BUSINESS MEETING, FEBRUARY 15, 2023

**Seneschal, Baron Bazyli Boleslaw z Krakowa (Markus Olfson), presiding
Chronicler, Baroness Rosanore of Redthorn (Susan G. Henry), recording
17 in attendance**

Meeting called to order at 7:30 pm.

Officers' Reports

Their Excellencies Baroness Caoilfhionn and Baron Gabriel: Working on a schedule for Baronial turnover. Glad to answer any questions people have about the job. Asking questions does not commit you to apply! Great in-person meeting last week. About a dozen people came in and out of the parlor.

Seneschal, Baron Bazyli Boleslaw z Krakowa: We're doing great!

Herald, Lady Gwenlliana Clutterbooke: Not present.

Minister of Arts and Sciences, Lady Helena the Quiet: Not present. Report from email: Ok, not much to report. 12th night A&S was fun and low key. We had 9 participants. A report will be filed for that event. We have a class coming up: Wire weaving, taught by Gospatric de Reynes (Patrick Raines) advertised on Facebook Nordskogen page, scheduled for March 8th. I can provide details to Rosanore if needed. He or Baroness Caoilfhionn can talk more about it! Loving to see all the projects posted on "finish it February " encouraged by Duchess Petranella. Very cool! Email or reach out with questions, concerns, ideas, classes or things you'd like to see A&S wise!

Rapier Captain, Doña Alianor Rowan: Not present. Report from email: Nothing to report for fencing in the barony this month.

Knight's Marshal, THL O'no Kagemori: Practice is going well. New person came last night.

Archery Captain, THL Faelan Bacach MacMillan: No nibbles whatsoever. Has talked about setting up a sharing of the position.

Thrown Weapons Captain, Lord Lachlann del Glen: TW is shut down for the winter. Looking forward to the spring.

Clerk of Precedence, Lady Cynthia the Innocent: Not present. From email: Nothing to report.

notes from the nordskogen business meeting, february 15, 2023—p. 2

Signet, THL Amary Fairamay: Not present. Report from email: Signet has no business. See you next month!

Quartermaster, THL Muirenn ingen Fhairchellaig: Don't have anything to report. Lupercalia has not asked for a loan of the mats.

Webminister and Social Media Officer, Baroness Coelwen ingen Adaim: All is going well. Updates are done. Facebook and webpage are good. If you get an email that says it's from the Kingdom or the Barony, make sure that it is not spam as a bunch more spam than usual is coming in.

Old Business

Movie watch night

Survey, with the help of Master Bruno Lachner, is ready to go! The link will be appearing in all of the usual online places later this evening.

Twelfth Night Financial Report

See next page (page 7).

Place to store event information

Baron Gabriel: Will talk to Duchess Petranella later, as well as the Baroness and Seneschal.

Confirm Baroness Nell the Innocent as WW event steward.

Confirmed unanimously even though not needed. See Baronial policies. Baroness Coelwen has volunteered to run the Nordskogen part of a Kingdom/Baronial hospitality tent. Baron Gabriel will talk to Jararvellir and the event stewards to see if Jararvellir also has someone interested in helping.

New Business

Archery practices on 2-17 and 2-24 at Bwana

Master Viði Hovdestad and Lord Knutr Olafsson Osiðar (both are archery marshalls) want to do this. Knutr will be the MiC for both practices and wants to do the Society Seasonal Archery Challenge. Attendees will be paying their own way. \$5 each with pass and cash; \$7 is the one-time cost. The range will probably be busy with other folks. THL Faelan approves these as official practices. Just give him the paperwork after. Barony still has \$125 left on the shooting pass at Bwana. THL Faelan is okay with using this money for the Friday practices. Meistari Sefa Farmansdóttir and/or Master Viði will tell them that it is okay for Lord Knutr to use this money. So, the Barony will be paying folks' fees after all.

Resumption of dance practice

THL Dafydd will poll the dance community to see how much interest there is from dancers. Would need to use the lower floor space which is not fully accessible. Don't know the cost.

In-person meetings

Next in-person is March 8. Wire weaving class at 7:30. To get to the in-person meeting and class: go in the door: turn left for in-person, right for fencers.
April theme: dance. May theme: fiber arts perhaps.

Largess drive

Continues. Items are due to the Baroness by March 15.

Baron Bazyli moved and THL Kagemori seconded a motion to adjourn.

Meeting adjourned at 8:10 pm.

CALL FOR LARGESSE

On April 1, the Barony of Jararvellir will celebrate its "50ish" anniversary at Spring Coronation on April 1. As they have shared generously of their bounty over the years, Her Excellency is organizing a gift of largesse from our barony, to be presented at the event. A largesse gift is a basket of mixed small items, often handmade and in baronial colors (blue and gold), suitable for handing out as thank-you tokens for good work or as an accompaniment to an award. Examples include handmade braids and cords (great for pendant-style award tokens), trim, pouches, coins, bead ornaments (a short dangle with a charm), pendants and simple jewelry, buttons, toys, or even small project kits. Examples adapted from the SCA's period include badges and brooches, ribbons and garters, small bags/purses, combs, rings, and more.

If you would like to participate, please make, or select items and get them to Her Excellency Caoilfhionn by March 15. Images of Jararvellir's heraldry and award badges can be found at <https://www.jararvellir.org/>. Single items are great, and multiples are handy too: up to eight matched small items is plenty. This is not meant to be a complicated, expensive, or time-consuming project! Think of things that are easy to carry and useful or pleasing for a variety of personas and interests.

PLEASE: No food, liquid, or scented items (soap, lotions, candles) for this project.

If you need ideas, have questions, or have an idea but need funds or materials to make it happen, please contact Her Excellency Caoilfhionn: baroness@nordskogen.org

Call For Bids For Twelfth Night 2024

Calling all interested humans! We are seeking bids for Twelfth Night 2024. If you are interested, please contact myself at Seneschal@nordskogen.org and/or Their Excellencies at: Baroness@nordskogen.org and Barony@nordskogen.org The deadline for initial bids is the Mar. 15, 2023 business meeting. Wire Weaving Class Presented by Gospatric de Reynes At In-Person Social Practice, Wed., 3/8/23, 7:30pm

Sometimes called Viking wire weaving, Viking knit or chains in the Trichinopoly technique, this form of jewelry has been found in 10th century BCE Egypt, 2nd Century AD Rome, 6th century AD Byzantine, 10th century AD Scotland and 10th Century AD Indonesia. So many personas could have worn this type of jewelry. In this class we will learn to weave 24-gauge wire around a rod. Demonstrations of pulling woven wire through a draw plate will take place but if you are making something larger than a bracelet you probably won't be ready to use the draw plate on your weave within the time frame of the class. Pulling the weave through the draw plate transforms the weave into a durable flexible chain. Ten students will be able to take a spool of 24-gauge wire, a dowel rod, and a hard wood draw plate home with them.

KINGDOM OF NORTSHIELD EVENTS PROCEDURES as of APRIL 1, 2022

Below spells out the requirements for in-person events going forward from April 1st date:

All attendees in North America must follow all national, province, territory, state, and local health guidelines at SCA events. In addition, at all North American SCA events:

- a) Kingdoms may continue to require the use of masks at their events as they deem necessary;
- b) As research has shown that minimal transmission occurs from food, the serving of feasts, inns, day boards, and buffet-style food is now allowed at the Kingdom's discretion;
- c) Large coolers to dispense water into individual personal containers are now permitted;
- d) The following language is required to appear on all event notices, flyers, online announcements, and advertisements, as well as being posted in multiple locations (including gate) at any and all SCA-sponsored functions going forward:

Although the SCA complies with all applicable laws to ensure the health and safety of our event participants, we cannot eliminate the risk of exposure to infectious diseases during in-person events. By participating in the in-person events of the SCA, you acknowledge and accept the potential risks. You agree to take any additional steps to protect your own health and safety and those under your control as you believe to be necessary.

As has been stated all along, any and all state, provincial, or local health regulations and guidelines will of course need to be followed, including keeping up with changes to government policy based on updated information. Be aware that some local jurisdictions have stricter requirements than their state/province. We also strongly recommend following the safety guidelines from the Centers for Disease Control and Public Health Agency of Canada.

Additional Requirements for Northshield in-person activities (after April 1, 2022):

Masks are required for all activities for those who are not fully vaccinated (vaccination + 2 weeks) over the age of 5. Anyone who is fully vaccinated and still wishes to wear a mask is encouraged to do so. Masks are not required for indoor or outdoor activities for people who are fully vaccinated after April 1.

CDC compliant masks must be worn per CDC guidance on how to properly wear a mask for those that are not fully vaccinated. <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/types-of-masks.html>
<https://www.cdc.gov/coronavirus/2019-ncov/vaccines/fully-vaccinated.html>

Personal responsibility of activity attendees: Do not attend an in-person activity if you are experiencing any of the symptoms of COVID-19 (<https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>).

A statement of concern for our Populace:

If you have an underlying condition which increases your risk, strongly consider your own health and safety before attending an in-person activity (<https://www.cdc.gov/coronavirus/2019-ncov/need-extra-precautions/people-with-medical-conditions.html>).
