

**THE LAURELS OF NORDSKOGEN AND
THE LINEAGE OF THE NORDSKOGEN LEGACY LAUREL MEDALLION**

The medallion was made by Master Raymond the Quiet of the Kingdom of the Outlands. It bears his maker's mark, a hedgehog. (He still sells these medallions. To see a picture of the medallion, go to: <https://raymonds-quiet-press.myshopify.com/collections/sca/products/pendant-laurel>) Elli bought the medallion and wore it for several years before passing it on to Margaret of Shaftesbury.
