## A WANT AD FOR A BARONIAL OFFICER

Hello Nordskogen! Here is the want ad for your Barony. Please email your job application to the [Seneschal](#) and the [Baronesses](#).

The **Archery Captain** cares for the loaner gear, ensures there is a warranted marshal at each practice (usually themselves) and submits a report to the Kingdom quarterly. Term of office is 2 years.

## **A BARONIAL MISSIVE**

*Greetings members of Nordskogen and Nordleigh,*

*June has flown, but what a beautiful month to Be Curious. The Baronesses and Young Yeti travelled far to fair Windhaven in the East, and enjoyed a submersion in knowledge, and passions, at Kingdom A&S. The variety and quality of displays showed a wide breadth of interests and styles of presentation. The Yeti was armored in a mini-maille coat, because there is always at least one set of armor at every event. The antics of the attending baronial mascots gave many laughs.*

*Castle Fever was a great showing of fun and games, and the rain held off long enough for thrown weapons and blade combat outside. Thank you to Silfen Mere for hosting, and for welcoming so many newcomers to their first event! So many new mugs to fill!*

*Now we're deep in preparations for one of the largest events of the year, Warrior and Warlords. We're so fortunate to have great co-hosts in Jararvellir. It has been fun seeing all the planning posts of so many amazing classes, tournaments, and displays this year. Want a front row seat to late night Thrown Weapons? Taste delicious historical recipes? Hold the spirited Nordskogen toy horse for the page tournament? Teach or refresh folks on historical games? We can't do this without volunteers, so please consider giving one hour of your time, and get your very own baronial themed mug cover! The snowflakes will hopefully cool you, and your beverage down during the inevitable heat of the day.*

**[Warrior and Warlords Volunteering Link](#)**

**[Nordskogen Baroness' Retaining Sign Up](#)**

*For the local group, we have a slight shift in the schedule for Wednesday meetups. In lieu of a structured second Wednesday, there will be a Tuesday Moot at Brackett Park on July 3<sup>rd</sup>, to choose our new Armored Champion. We are grateful for Kage's long service, and his commitment to cat pictures and prowess. The fourth social Wednesday will be hosted at Brackett park.*

*Although we know it's hard to believe, during the height of summer, the year is halfway done, and Twelfth Night bells are starting to ring in the distance. If you or someone you know has been hesitating to run their first large event, this would be a perfect opportunity. There are folks willing to partner up as co-hosts, and our wonderful Seneschal is eager to support any level of volunteerism that you may be able to give. For interest, or with any questions, please reach out to the Honorable Lady Judith Northwode, or the Baronesses, Heliseus and Cynthia.*

*Summer flies by so be sure to get outside, soak in the sun and warm breezes, and consider joining us at St. Radigan's for the unique cooking and tournaments, and/or Constantinople to Istanbul - A Gimli Event (in Canada!) The Yeti is excited for their first passport stamp and the camaraderie of Castel Rouge. We look forward to discover another beautiful summer.*

*Yours in service,*

*Baroness Heliseus and Baroness Cynthia*

### Seneschal's Letter

Happy July Nordskogen!

I hope you are all well and ready for Warriors and Warlords (DubDub)!! My family and I are VERY excited to see everyone there! I am just back from Castle Fever which, despite the rain's best efforts, did not spoil the day. Our fighters were able to take some time on the field, along with our Thrown Weapons contenders. A few of us got to preview some of the games that will be held at DubDub too! Congratulations to our newest Award of Arms in the barony, Lady Goda von Ulm, who received her circlet at the event. There was a wonderful turnout and the site had a good setup, it was good to see Nordskogen well represented!

At the time of this being published, I have purchased the approved coolers and baking supplies for use by the barony. Cupcakes and other treats will be served at the Concordance of Games on Saturday night of DubDub. Prepping for the Barony camp and meal plan is coming together well! On the horizon, 12<sup>th</sup> Night: I have put a call out to Lord of Life church, requesting the dates in January. If there is any interest in leading this event as its Steward, please let me know! The Toys for Tots Combat event is also coming up. If anyone has interest in taking a lead on that, it's a quick and easy "moot" that would be wonderful for someone wanting to learn how to run an event.

After DubDub, I plan to attend St. Radegund's, Fall Coronation, Hrothgar's Hall, and Fall Crown. I am still learning names and faces, so please feel free to come say hello and tell me about yourself and your favorite part of the SCA!!

Have a safe and happy 4<sup>th</sup>!

Judith of Northwode  
Barony Seneschal

## **CALLS FOR VOLUNTEERS AT WARRIORS AND WARLORDS (WW)**

**Warriors and Warlords Volunteering!**

<https://sites.google.com/.../warriorsandwarl.../volunteering>

### **Their Excellencies Nordskogen Need Retainers!**

I am looking for retainers for WW for Their Excellencies Nordskogen. This is a good opportunity to come watch and learn about a new to you activity or just get to spend some time with Their Excellencies. Sign up is 1 hour blocks by activity. Duties include keeping Their Excellencies hydrated, helping carry items, possibly some light set-up of activities, helping hand out largess, and watching the time. Here is the [link](#) for signing up. I will be on site at WW if you have any questions or need any help during your shift. Or email me at Kersteken at gmail.com. Thanks, Kersteken, Baronial Chamberlain.

### **Message from Warrior and Warlords Strawboss Jr.**

*Update as of 6-29-24*

*This is a (kind of) last call for the work week meal plan. Adam is making a shopping list and an almost accurate head count is helpful! He always makes "enough" that there is room for late comers.*

***I will be accepting Pay Pal meal plan payment again this year.***

**[DM me](#) for details.**

Strawboss Jr here! Since we are about a month out from Warlords and Warlords, our favorite summer camping event, I thought I'd take a moment to remind you that Strawboss can always use help with set up and tear down! And Strawboss has a meal plan that runs from Sunday evening thru lunch on Wednesday! The cost (if you eat all 9 meals) is \$75! No price increase from last year!

And there are TWO best parts to helping Strawboss. You get 3 1/2 extra days of camping at no additional cost AND you get to witness first-hand what goes into putting together Northshield's biggest camping event!

If you wish to take part in the meal plan, PLEASE [message me](#) with what meal or meals you'd like and if you have any food allergies or strong dislikes! --Matthias/Moose

### **Clan Blue Feather Helpers Wanted!**

Greetings from Lord Barbat Silviu ([Brandon Williams](#))! If you haven't already heard I'm putting on an event for Clan Blue Feather sponsored by Jararvellir and Nordskogen at Warriors and Warlords after court on Saturday. I am in need of some helpers to be gaming table hosts. Your only job is to bring the fun and explain a couple games if people don't already know how to play. If you are interested please let me know. I am looking for maybe 5 or 6 volunteers but will take more if more step forward. We would go over all the games we plan to play and all of them I learned myself in one evening so they are all super easy. Please help Clan Blue Feather be more visible at WW!

### **The Narwal Navy Needs You!**

The Navy is in need of more hands at WW this year. They are looking for someone to run the list, someone to monitor the siege station, someone to monitor (it's a surprise) station, and a few extra to maintain order and safety since we are working around water. The Narwal Navy will be meeting from 11am-12:30pm in the Courtesan Camp. Go to this [link](#) for a description of the Narwal Navy's activities at WW last year. Contact La Dame Fleur de Lys du Paris ([Tina Zimmer](#)) for more information or to volunteer.

## **SURVIVAL GUIDE FOR WW**

- Hydrate, Hydrate, Hydrate! There are water coolers at event activities throughout the site.
- Bring healthy, durable snacks to tide you over when you forget a meal.
- Bring cash for the 4H ice and firewood and food truck! There is no ATM on site though there are ATMs at gas stations close to the site.
- Bring a hat!! There's some shade but not a lot.
- Remember to put lids down in the porta potties and leave them up in the flushies.
- RV Dump Site. There is an RV dump site on the Fair Grounds.
- There are a lot of mosquitoes this year! This site does not get sprayed! Here are some mosquito control ideas.
  - Spray repellent
  - Bug bracelets
  - Mosquito coils
  - Fans placed at ground level. Mosquitos are weak flyers because of their light weight. The breeze from the fans makes it difficult for them to fly. Even battery powered fans work. Mosquitoes gather under tables and chairs protected from the breeze. A fan at ground level helps remove them.
  - See this site for info about camping and mosquitoes:  
<https://mmcd.org/2024/06/18/tips-for-mosquito-and-tick-protection-while-camping-or-hiking/>
- Storm Shelters: There are a few places on site where you can shelter for severe weather,
  - The Class Pavilion.
  - The two permanent shower/bathroom buildings.
  - In the event of a tornado, take shelter under the Grand Stand across from Straw Boss.
- Bring trash bags for your trash. Place trash in the dumpsters.
- People Mover! The people mover travels around the site. You can find the map of the route at various places around the site.

**Friday after Court on the Armored Combat List Field**

NORTHSHIELD! Tremble in your seats (computer chairs and couches, maybe a recliner...)! Prepare to be amazed (or mildly confused and probably perplexed...)!

#### **Here's the deets:**

In the interest of inclusion, all baronages are welcome to enter the tournament.

Entrants are required to have an authorized heavy fighter champion.

In addition, a baronage MAY (It is NOT required) sponsor an Entertainer and an A&S Project. All three, Fighter, Entertainer and A&S (including maker), will be presented at the Bad Baronage court.

#### **Entertainers**

There will be 3 to 4 locations around the list reserved for entertainers to perform between bouts. Anyone; bard, voice herald, squire, may step forward to entertain at any of the spots around the list. This will be a challenge as the crowd will be loud (you will have to grab their attention), the time to perform maybe 10 seconds, it may be a few minutes (depending on if the fighters were paying attention), and lastly, there will be other entertainers performing at other locations around the list for their crowd. (Locations will be central to each side of the list). Entertainers may line up with the wrangler/drum coordinator and go to one position to perform as they open. For longer time periods, entertainers may rotate in and out.

#### **A&S**

If an A&S project is presented in Bad Baronage Court it must be worn or carried into court. It could be, but not limited to; a piece of armor on the fighter, a piece of clothing on the baronage or maker, a ceramic cup, loom, or other carry-able/wearable project. (more fake points for a theme or humor tying everything together)

**Caution:** Bad Baronage Tournament has only been tested in a limited number of clinical trials. Side-effects may include; spontaneous loud noises, shouting, mild inebriation, having fun, spontaneous bruising, and laughter. Viewer discretion is advised.

### **Descriptions**

#### **Saturday Lunch: Youth Rapier Discussion - (12:00 - 12:30+)**

Join Master Ambrose von Pasau, Kingdom Rapier Marshal, and Meister Baldwin von Trier, Kingdom Youth Rapier Marshal, for a brief Q&A about Northshield's upcoming Youth Rapier program.

#### **Non-scheduled activities**

Pickup fighting available all day while list is open. Just have a marshal nearby.

Lord Yagüe is available to run through drills with anyone interested at any time he isn't occupied on the list. Approach him to initiate. If you have an idea of what you want to work on, that would be great, but is not required. The focus of the drills can be as generic as footwork/parries/attacks or as specific as 'I want to do reps of this specific thing'.

Warm up: Run by Lord Yagüe: a 'class' on Movement and Measure using partnered following drills. Should be a good way to warm up before the first events happen. Sword/mask not required.

#### **Scheduled Tournaments, Melees and Demonstrations**

##### **Power-Up Tournament, Sponsored/Run by THL Clydwyn**

Double elimination tournament. Each match up will be best 2 out of 3 passes. Each fighter will get a card with their name on which they will write down their advanced authorizations. Each fighter can only use each one of their advanced authorizations once. For a fighter to use an advanced authorization, they must give their card to the marshal who will mark off that authorization on their card. Every advanced authorization a fighter has can be used throughout the tournament but once an advanced authorization is used for one matchup, it cannot be used again in the tournament. Any combatant can use Single Sword for any fight. No one is required to use an advanced authorization.

##### **Novice Tournament, Sponsored by Lord Yagüe and Run by Baron Bazylj**

Open to anyone who does NOT yet have an AoA level award for Fencing (Glove or equivalent) AND has NOT won a tournament in EITHER Armoured or Rapier.

Format will be round-robin cutting to top 2-4 for final winner

##### **Short Sword C&T Tournament, Sponsored and Run by Lord Yagüe**

All weapons in this tournament must be 36" or less from the point of the sword to the shoulder of the blade (at the quillons). This blade length encourages the use of cutting actions and cuttier swords (like sidesword/arming sword and sabre). Format will be a round-robin, if enough combatants we may cut to the top x for a final winner. This is a Cut & Thrust tournament, so all combatants must have the appropriate armour and authorization.

##### **Rapier Spear Demonstration**

A demonstration and Q&A session for rapier spears lead by Lord Dante.

##### **Melee Games! (hosted by Mistress Moira)**

There will be capture the flag; return of the sheep; some terrain options; and other games depending on time and people. Scenarios will be geared at isolating common melee concepts seen at larger wars.

##### **Baroness Whim, Details TBD**

General idea: boat battle/shore raid

Scenario: Nordskogen has discovered a potential location of its long lost treasures and must succeed in an assault on the shore to retrieve the chest of treasures and return it to the ship (guarded by Jararvellir).

##### **King's Prowess Tournament, Sponsored by His Majesty Hans and Run by Lord Yagüe**

Double elimination tournament, bring your best (and fanciest).

##### **Admiralty Melee Tournament - Swiss 4**

##### **Sponsored by Hlaford Eadmund and the Admiralty of Northshield**

4 person teams, each combatant can only bring one advanced authorization per team. For example you can only have one non-rigid, one rigid, one dagger, and one case per team. Any number can bring single sword.

## **WARRIORS AND WARLORDS (WW)—RAPIER ACTIVITIES (con.)**

### **Counted Points C&T Tournament**

Join Her Highness Thora on the Cut and Thrust field for a Counted Points Tournament. There will be 3 points for head, 2 points for body and 1 point for limbs. The first person to reach 7 points in a match wins the bout. They must be a clear winner by at least 1 point. This is a Cut & Thrust tournament, so all combatants must have the appropriate armour and authorization.

### **Unit Chaos Melee**

Bring a team of 3-5 combatants, all units go on the field at the same time, each unit for itself (grand melee, but with teams). This can be run if there is time and interest, perhaps after the Admiralty Tournament.

## **WARRIORS AND WARLORDS (WW)—YOUTH ARMORED COMBAT ACTIVITIES**

### **Youth Armored Combat Marshal in Charge:**

THL Luftwine Byrnsmip      brotherbootknifeofpatience at gmail.com

### **Inspections--Friday, 8-9am**

### **Bear Pit--Friday, 9-10am**

A classic fighting scenario. Two combatants enter the pit. The victor remains and faces the next opponent.

### **Mazes and Monsters—Friday, 10-11am**

Combatants work together to find and slay the "Monster" (Adult Fighters) and avoid being eaten in a Maze.

### **Inspections--Saturday, 8-9am**

### **Grand Kittens and Lava—Saturday, 9-11am**

In a typical Kittens and Lava scenario, youth combatants will cross a field of lava, rescuing as many kittens as possible, avoiding hazards and dragons. Points will be awarded for killing dragons, number of rescued kittens, and successful navigation of the field.

(For those of you who haven't seen it, we mark a section of the list field as "lava", and place "stones" - pieces of fabric in rough stone shapes, which are a variety of different sizes - at random places. Combatants will cross the field by leaping from stone to stone. Kittens will be plush toys, not live kittens. Dragons are combatants who can walk on lava, but who are usually restricted to a zone halfway across the field. Dragons are typically Level 3 fighters or heavy weapons fighters with Youth Sparring authorizations.)

### Nordskogen Meal Plan for Campers at Warlords and Warlords

*Update: The meal plan is now at capacity and the form has been closed. Thank you everyone.*

Nordskogen WW Campers! Rikkar and Judith have created a meal plan! Let us once again worry about feeding you so you can enjoy the event! Cost is \$40 per person (\$15 for those 10 years and under), starting Dinner on Thursday through Breakfast on Sunday. We will have a communal dining area near the Nordskogen Pavilion, under the WW carport. Please feel free to [PM me](#) with questions/requests. (We cannot guarantee we can accommodate allergies, but it's good to have the information available).

We've taken a look at the WW Schedule and have arranged meal times. We've done my best to work around Courts, Fights, Classes and Authorizations. These times will be posted on the kitchen tent wall once we are set up.

There will be a marked "kitchen" area that my family will be using to prep everything. Please do not enter this area unless asked, mostly for safety, but a bit of sanity too. There will be seating and tables available in the tent for people to gather at.

We will have paper plates, cutlery, and cups available but you are welcome to use your own.

While to-go boxes and delivery are not planned, with a bit of notice, we may be able to accommodate those who have commitments that may infringe on getting to meals within the window. If there is anything you need, please ask!

<b>Meal Times:</b>	Thursday:	Dinner: 6-7pm

### **Children's & Youth's Garb & Armor Exchange at the Family Faire, Fri., 1-3pm & at the Equestrian List, Sat., 1-3pm**

Hey Northshield! Are you an adult responsible for children? Do they need garb? Armor? Have the children in your life grown out of their garb or armor? If you are going to WW, take a look at your garb closet and pack up what no longer fits you or your kids to bring to the Family Faire.

One part of the Family Faire is the Children's and Youth's Garb and Armor Exchange. And, you may not have known that we have a table at the Exchange dedicated to larger, teen-sized kids as well as tables for kids of all other shapes and sizes. This has often been a great way for that friend of a teen who came along to the event with an SCA family at the last minute to find a great outfit to wear to Court on Saturday. Looking the part helps everyone feel like they fit in and belong.

Donations can be dropped off at the Tea Tent, Info Point or Strawboss, preferably before Noon on Friday.

- Please bring the garb you're willing to share.
- The hope is for the children and their adults at the event to "shop" for garb and then for adults to "shop" for a child not present.
- If you bring clothing to share, you may take it with you or donate the garb to be shared at another event.

### **Moose's Elevation Celebration--Strawboss--Fri., 1-3pm**

### **Medieval Cooking and Brewing Competition at WW--Class Pavilion, Fri., 1:30-3:30pm**

Below are some of the pottery award options for the winners at the medieval Cooking and Brewing competition for WW this year! It is planned for Friday afternoon July 12 1:30-3:30 at the class pavilion (where court is held). At this pavilion there is electricity for those that need to keep their food warm. There will be 2 categories: European and non-European and we ask that you bring enough food/drink for the populace to taste and a list of ingredients. If you happen to get the recipe from a period source, we would love to see that as well, but a period recipe is not a requirement. One award will be from the populace vote and the other will be from the judges.

There will ALSO be a display table for cooking/brewing related items. I will be giving out a pottery piece to the item that I found most interesting or that just tickled my fancy.

If it is possible to email me to let me know in advance what you are making that would be great so that we know how much space is needed: lschneider18 at yahoo.com. Also, for those that are entering or judging please be there at 1:15.

Winners will be announced directly after the competition once the judging is completed and everything is tallied.

Look forward to seeing and tasting what you make!! Yours in Service, Katerina Unru, OL

There will be a number of different pot types and sizes to cook in and discuss, and the opportunity to prepare a pottage.

### **Youth Armored Combat--Bear Pit--Ages 6-17**

A classic fighting scenario. Two combatants enter the pit. The victor remains and faces the next opponent.

### **Youth Armored Combat--Mazes and Monsters--Ages 6-17**

Combatants work together to find and slay the "Monster" (Adult Fighters) and avoid being eaten in a Maze.

### **Introduction to Drumming and Rhythm-- Beatriz de Burgos and Lord Brian MagUidhir--Ages 10 and up**

In this introductory drumming class, you will learn basic hand drumming techniques, learn several common rhythms and practice playing as a group.

### **SCA, ASL and You: A Primer for Silent Heraldry— THL Christiana Galyard--Likely not of interest for those under the age of 10**

You too can be a Silent/Sign Herald! The Society Silent Herald has recently created an official list of key vocabulary necessary for beginning Silent Heralds. We'll learn these 25 crucial words, and briefly discuss why Silent Heralds are needed and how Silent Heralds fit into the bigger picture of Courts and events.

### **Bara Tape Basics: Creating, Understanding, and Using Bara Tapes--Sibillia d'Orange--Ages 14 and up--1<sup>st</sup> class of two—Fee: \$1**

Bara tapes are the way that tailors would measure individuals before the advent of standardized measuring systems. Learn how to make your own and the basics of how they work.

### **Make an Early-Period Clay Hanging Lamp— Farolfus filius Richard--For teens and adults**

This class is an introduction to hand-building. Using pinching and coiling techniques, each participant will make a small clay vessel based on several examples of Anglian/Saxon and Viking-Age Danish clay lamps. These can be suspended from a tent pole or sit on a tabletop and will be sized to accommodate a flickering LED tealight. These lamps would make a nice addition to any Early Period camp. Pieces will be fired offsite and returned to participants after the event. Class has an attendance limit of 9. No fee, but participants should arrange SCA mail to have their piece returned to them after firing, otherwise postal costs are typically \$8-10 to most of Northshield. This class is geared toward adults and teens. Scrap clay can be provided to amuse younger folks while an adult guardian attends the class.

### **Intermediate Drumming and Rhythm— Beatriz de Burgos and Lord Brian MagUidhir--Ages 10 and up**

In this intermediate drumming class we will review the basic sounds taught in the introductory class and demonstrate additional techniques. We will teach more advanced rhythms that are played often in the SCA and will practice playing as a group. Tips for effective practice will be discussed.

### **Adaptive Garb: A Roundtable Discussion—Lydia Tabot--Ages 12 and up**

A loosely moderated discussion on people's experiences needing or creating adaptive clothing in the context of the SCA.

## **CHILDREN AND YOUTH ACTIVITIES AND CLASSES (con.)**

### **DESCRIPTIONS (con.)**

#### **Easing Communication with your Silent Heralds—THL Christiana Galyard—Likely not of interest under 10 yrs but all are welcome**

We'll discuss how voice heralds, Royalty, sitting Baronages, marshals of the field, event staff, and Silent Heralds can collaborate for optimum communication effectiveness for \*everyone\*! This class is likely to be less interesting for gentles under 10, but all are welcome. Anybody who has need of clear communication is likely to benefit from this class.

#### **Family Faire**

Youth of all ages (and their families) are invited to attend the Family Faire at the AgVenture pavilion near the playground from 1-3pm on Friday afternoon! Come join us and do art projects or play theater games.

Under 10 or those not permitted to walk around the site unescorted should bring an adult with them, but said adult will be free to sit in the shade and socialize with other adults. They're just asked to be present in case of needing to escort the children to the nearby restrooms, etc.

Feel free to [ping me on FB Messenger](#) if you have specific questions. YIS, Baroness Marguerite Coquette de Lyon/Coquette

#### **Children's & Youth's Garb & Armor Exchange at the Family Faire, Fri., 1-3pm & at the Equestrian List, Sat., 1-3pm**

Hey Northshield! Are you an adult responsible for children? Do they need garb? Armor? Have the children in your life grown out of their garb or armor? If you are going to WW, take a look at your garb closet and pack up what no longer fits you or your kids to bring to the Family Faire.

One part of the Family Faire is the Children's and Youth's Garb and Armor Exchange. And, you may not have known that we have a table at the Exchange dedicated to larger, teen-sized kids as well as tables for kids of all other shapes and sizes. This has often been a great way for that friend of a teen who came along to the event with an SCA family at the last minute to find a great outfit to wear to Court on Saturday. Looking the part helps everyone feel like they fit in and belong.

Donations can be dropped off at the Tea Tent, Info Point or Strawboss, preferably before Noon on Friday.

- Please bring the garb you're willing to share.
- The hope is for the children and their adults at the event to "shop" for garb and then for adults to "shop" for a child not present.
- If you bring clothing to share, you may take it with you or donate the garb to be shared at another event.

#### **Odysseus' Treasury to the Armada: Iron Production from Classical to 1588—Not geared to children but they are not excluded**

In short? Where does the iron come from? How did we get from making pounds of the stuff to tons in only 1000 short years? Taught by Timothy the Blacksmith.

#### **Fantastic Favorites (Dance)-- THL Christiana Galyard--Young dancers are welcome with an older responsible person**

Learn and explore a series of our old and new favorite ECD, Bransles, and Gresley dances. Specifics to be determined by participants, and number of dancers in class.

#### **Bronze Spiral Decorations—Lady Quinn--Ages 12 and up--Small metal pieces are used**

Spiral decorations made from coiled wire were used to adorn garments in the Baltic region (Latvia, Estonia, Finland, and Lithuania) from 10th century onwards into the 19th century. This class is hands-on with focus being on the Finnish Iron Age. Class limit will depend on supplies.

#### **Period Gaming—Eadmund Sweordhwíta**

Join us Friday from 6-10pm to play board games from ancient to medieval. Game night coordinator Eadmund Sweordhwíta wishes to share his board games and meet others who share the passion for historical board games. Bring your own board games or play one of the many brought by Eadmund which he would be glad to share and teach. Games present to be suitable for all ages and of variable complexity. All games will be inclusive and child friendly, no games that would be considered NSFW.

#### **Thread Woven Buttons—Rachell Baker—Ages 12 and up**

This is a hands on class in which students will learn two methods of making thread woven buttons.

#### **Youth Armored Combat--Grand Kittens and Lava—Ages 6-17**

In a typical Kittens and Lava scenario, youth combatants will cross a field of lava, rescuing as many kittens as possible, avoiding hazards and dragons. Points will be awarded for killing dragons, number of rescued kittens, and successful navigation of the field.

(For those of you who haven't seen it, we mark a section of the list field as "lava", and place "stones" - pieces of fabric in rough stone shapes, which are a variety of different sizes - at random places. Combatants will cross the field by leaping from stone to stone. Kittens will be plush toys, not live kittens. Dragons are combatants who can walk on lava, but who are usually restricted to a zone halfway across the field. Dragons are typically Level 3 fighters or heavy weapons fighters with Youth Sparring authorizations.)

#### **Bara Tapes Part 2: Patterning a Garment Using Bara Tapes--Sibillia d'Orange--Ages 14 and up—Fee:\$1**

We will be patterning a bodice from Alcega in this class. Please bring your own Height, Waist, and Chest tapes.

#### **Advanced Drumming and Rhythm— Doumbek, Tar, and Riq--Beatriz de Burgos & Lord Brian MagUidhir--Ages 10 & up**

In this class we will present more advanced techniques and sounds, introduce and play rhythms with more complex meters. Techniques for frame drums including the tar and riq will be discussed and practiced along with doumbek. Bring your frame drum if you have one.
